COURSE DESCRIPTION

This course covers advanced painting techniques and technologies with an emphasis on identifying problems encountered by the refinishing technician. Topics include materials application, color matching, correction of refinishing problems and other related topics. Upon graduation, students should be able to perform spot, panel and overall refinishing repairs and identify and correct refinish problems. Prerequisites: AUB 111. This is a diploma-level course.

REQUIRED COURSE MATERIALS

Textbook –

Duffy, James E. Auto Body Repair Technology. 6th Edition. Delmar Publishers

Supplies –

Supplies will be provided for class projects. However, students must purchase supplies for personal projects.

Technology –

“No technology required.”

STUDENT LEARNING OUTCOMES

Upon completion of this course, the student should be able to:

- A. To develop proper safety habits for working with automotive paint systems
- B. To mix and apply automotive paint products
- C. To recognize and repair refinish problems

- D. To perform spot, panel and overall refinishing operations
- E. To perform repairs on both foreign and domestic cars

EVALUATION / GRADING

Your final grade will be determined as follows:

ACADEMIC AND PHYSICAL ACCOMMODATIONS

Access and Accommodations: Your experience in this class is important to your instructor, and it is the policy and practice of Cleveland Community College to create inclusive and accessible learning environments consistent with federal and state law. If you experience barriers based on a temporary health condition or disability (which could include but is not limited to mental health, attention-related, learning, vision, hearing, physical or health impacts) and as a result cannot participate fully in this class, complete

course requirements, or benefit from the College's programs or services, contact Disability Services as soon as possible.

To receive any academic accommodation, you must be appropriately registered with Disability Services at CCC. This office works with students confidentially and does not disclose any disability-related information without the student's permission. You are welcome to contact them at 704-669-4096 or disabilityservices@clevelandcc.edu. If you have already established accommodations with Disability Services for this semester your instructor has been notified. You will want to discuss your approved accommodations with your instructor at your earliest convenience to make sure your needs in this course are met.

If you have a condition which may affect your ability to exit the premises in an emergency or which may cause an emergency during class, you are encouraged to discuss this in confidence with the instructor and/or Disability Services.
